Product Specification Sheet
Daisy Chain Cable, 6 output plugs -
1 power input jack, 1 power output plug
P/N: DCC6-28

Characteristics

- 1) DC barrel connector male plugs 6X at 4 inch ref. (102mm ref.) spacing for 20 inch ref. (508mm ref) effective length for lighting applications, 28 inch ref. (711 mm ref.) overall length including input jack and output plug.
- 2) LED lighting low voltage applications rating: 3.0 amps at 12.0 volts (36 watts) continuous Max.
- 3) Operation usage temperature range: -20C to +60C (-4F to +140F).
- 4) Cable jacket insulation: PVC (black).
- 5) Cable jacket black (PVC).
- 7) Female jack connector accepts 2.1mm X 5.5mm Plug DC barrel connectors.
- 8) Intended application is low voltage LED lighting, cables can be series connected for longer effective lighting lengths.

Plug 2.1mm X 5.5mm

Jack 2.1mm X 5.5mm
